Dear Friends:

Thank you for coordinating a food drive to help benefit The Food Bank for Westchester. Your efforts generated **418 pounds** of food!

The Food Bank for Westchester helps feed approximately 200,000 people annually by providing food to all of Westchester County's food pantries, soup kitchens, shelters, and other hunger fighting programs. Thirty-six percent of those needing assistance are children under 18 years and 14.5% are seniors.

One of the most rewarding features of my job is to make the acquaintance of people like you who join with The Food Bank for Westchester in helping build a stronger, kinder community.

Sincerely,

*Nancy Lyons.*
